Wildfire Golf Club has the luxury of owning and providing golf carts which are equipped with Global Positioning System (GPS) units. These units not only provide you with a layout of the course and measurements to the pin, but they also have the ability to have sponsor advertising on the GPS unit as well. With the Presenting and Platinum sponsorship confirmation, companies will have their logos on one or more of the carts. (Based on availability).

Signature Hole Sponsor:

This sponsorship is a special 'One of a kind' sponsor who helps us remember the kids we have lost to cancer. For the past 14 years, Pedal for Hope team members have teamed up with kids who are registered with the Canadian Cancer Society and fighting cancer. Sadly in the last 14 years we have lost 10 of those kids to cancer. Courtney's wish was to make sure the kids who lost their battle with cancer were never forgotten and that's the reason this golf tournament was created, to honour Courtney's wishes.

Each Signature Hole is dedicated to a child who lost their fight with cancer complete with signature golf flag honouring the child. The hole is also decorated with the child's interest, hobbies, or achievements in mind.

The sponsor of each Signature Hole has exclusive sponsorship of the hole.
